

Camp Gold Star: A Waterfront Legacy Resort & Marina

Camp Gold Star (CGS) is a premier 10-acre waterfront resort situated on McDonald Island along the San Joaquin River. Co-founded by Captain Frank Morgan and Army veteran Melinda Morgan, this unique "Legacy Project" is designed to be a sanctuary that bridges high-end recreation with a deep, heartfelt mission: recognizing and honoring our nation's bravest veterans and first responders.

By blending world-class amenities with a dedicated tribute to those who served at the "Tip of the Spear," Camp Gold Star ensures that the names and sacrifices of fallen heroes are never forgotten while providing a serene escape for all guests.

A Living Memorial: Honoring Our Nation's Heroes

The heart of Camp Gold Star is its commitment to honoring fallen military members, law enforcement, and fire service personnel. The resort transforms the traditional vacation experience into a journey of remembrance through several key features:

- **The Hero Lodges:** The property features 25 prefabricated "park model" rental cabins. Each lodge is individually sponsored in honor of a fallen hero. Gold Star Families are invited to personally curate the interiors with memorabilia, awards, and photos, making every lodge a living tribute.
- **The Freedom Walk:** A contemplative pathway that weaves through the property, designed for guests to reflect on the stories of courage and sacrifice associated with our nation's protectors.
- **Paws for a Hero:** A dedicated dog run and memorial area specifically honoring K-9 heroes who have served alongside their human counterparts.
- **A Place for Connection:** Beyond honoring the fallen, CGS serves as a hub for active-duty and retired heroes to connect, heal, and recreate in a professional and respectful environment.

Premier Resort & Marina Amenities

While the mission is rooted in honor, the facility offers a robust suite of resort amenities available to **anyone with a reservation**. CGS is a private, exclusive destination where guests can enjoy the best of the California Delta:

- **Waterfront Marina:** A 650' x 120' L-shaped concrete dock accommodates between 30 and 60 boats. The marina is fully equipped with power hook-ups, pump-out capabilities, and a floating rental shed for kayaks and paddleboards.

- **Recreation & Social Spaces:** Guests have exclusive access to a swimming pool and hot tub, pickleball and bocce ball courts, volleyball, and cornhole areas. For those seeking a slower pace, the resort features a nature lookout tower and direct access to a natural river beach.
- **The Clubhouse:** A central hub featuring kitchen facilities, a Bar, convenience store, and Ice-cream station. The clubhouse hosts group meals, dances, small concerts, and movie nights.
- **Out Buildings:** Conveniently located along the Freedom Walk is both a laundry facility and Restroom/shower building.
- **Open Spaces:** With 3.2 acres of developed land and 6.8 acres of preserved wetlands and open water, the resort also offers ample grass areas, BBQ pits, and fire pits for evening gatherings under the stars.

Exclusive Access & Guest Experience

To maintain a peaceful and secure atmosphere, Camp Gold Star is **not open to the general public for walk-ins**. Access is granted only to guests with a lodge or boat dock reservation, with a maximum capacity of 250 people to ensure an uncrowded, premium experience.

- **Seamless Arrival:** Guests arriving by car utilize dedicated parking at King Island Marina or Turner Cut Marina, where a **free water taxi** provides a scenic transport directly to the island resort in under eight minutes.
- **Private Docking:** Guests with reservations and arriving by private vessel can dock directly at the marina, enjoying immediate access to all resort amenities.
- **Accessibility:** CGS is committed to inclusivity, offering ADA-compliant facilities and controlled vehicular land access for guests with disabilities who cannot utilize the water taxi.

Camp Gold Star is more than just a resort; it is a destination where every stay supports a legacy of honor. We invite you to experience the beauty of the Delta while standing in solidarity with our nation's finest.
